Explorers

AGES: 21 MONTHS – 3 YEARS OLD
TWO 4-WEEK SESSIONS OR ONE 8-WEEK SESSION

Our Lower Camp program is based on the Montessori Toddler Classroom, taking advantage of your child’s natural love of learning and drive to act independently. Toddlers explore a language-rich classroom in which they learn to care for themselves, preparing for the adjustment to separation in a safe environment. To ease this transition, Lower Camp is divided into two separate four-week sessions.
Discoverers
AGES: 3+ YEARS OLD, SINGLE-WEEK SESSIONS

A loving and nurturing environment is the primary consideration for our 3 year olds. This program is tailored to meet campers’ needs with staff who are experienced and responsive to young children. In this environment, we have specifically designed the curriculum to accommodate your campers’ individual skills and abilities that focus on consistency, safety and independence.

Navigators
AGES: 4 – 5 YEAR OLDS, SINGLE WEEK SESSIONS

As a “Navigator” your child will participate in a full day of activities in small groups overseen by experienced counselors. Campers rotate through a variety of specialist led activities, which challenges and enrich their day. The child-centered environment gives these campers the attention they need, allowing them to build close relationships and memories with encouragement and support.
Voyagers
AGES: 6 – 9 YEARS OLD, SINGLE-WEEK SESSIONS

Children in this program participate in a busy week, full of Passport specialist-led activities tailored to their age and interest, including science & nature, sports & games, arts & crafts, swimming, and weekly field trips. All Voyagers have opportunities for individual decision making, allowing them to meet challenges with confidence and enthusiasm.

“We knew we had found the right place for our child, when he raced out of the door each morning not wanting to miss a moment.” - Passport Parent

Pioneers
AGES: 10 – 13 YEARS OLD
SINGLE-WEEK SESSIONS

This program fosters friendship, fun, and group unity for young adults, and is designed to specifically target leadership development and life skills. Pioneers choose their activities and trips, and have the opportunity to work with community partners in their specific areas of interest. Campers are encouraged to step outside of their comfort zone and learn about their place in the world.

“Every year Passport is on the top of our list of camp options” - Passport Parent
